

**A big every day bet.**

The road is long and never ends.

We will try, we will be judged and we will be getting better.

**We deposit our souls,**

to our students, transferring our knowlwdge and civilization.

**We have as rule extroversion**

and we get strength from our students  
who make us proud with their performance.

Dr. Georgios A. Arvanitidis

Director of the 1<sup>st</sup> Junior High School of Oraiokastros
